Dear Words with Friends, Zynga Owner, Strauss Zelnick, CEO of Take-Two Interactive Software, Law Department Members, US Department of Justice Attorney General Merrick Garland and FBI Director Wray:

I write this letter with respect to the above. Foremost, Criminal Justice Authorities, I write this letter with respect to Regional Killer C. Boyden Grays, ongoing and continuous, not stopped and no penalty yet, criminal senile stalking's of me, via replicated and unwarranted interferences and sabotages in all my business and personal affairs. Please see the attached reference section.

With respect to Mr. Zelnick, in the past, I greatly enjoyed fair/equal opportunity play with the Words with Friends word game. I was not harassed in the past and now I am repeatedly being stalked and harassed. The purpose of this letter is to complain and expose where the inflicted stalking and harassment inflictions are coming from, and to have these crimes, using the Words with Friends platform, stopped.

I believe the WWF CEO needs to know how the Words with Friends company is being criminally usurped and managed, as a whistleblower stalking and harassment entity. I am saddened to have to file this second Nzinga Words with Friends complaint within the last few weeks of playing Words with Friends. There is some serious internal, organized fraud, discrimination, digital corruption and targeting, in the Words with Friends game, that needs to be exposed and stopped.

Chiefly, a couple of weeks ago, I had to file a complaint about being denied the opportunity to buy, like any other player, points for letter tile swaps. Every time I would try to use my credit card to buy points for the letter tile swap, the store was disabled, would not open. I wrote an email from my other email at mirisni@aol.com. THE PROBLEM STILL EXISTS. I am not being able to use the Words with Friends store. The store has been disabled, limiting my ability to buy WWF resources that facilitate an effective winning game.

Years ago, I played Words with Friends and greatly enjoyed the education and veracity of the game. I played many equal opportunity games. Now all my games, particularly with family and friends, are being corrupted, sabotaged, and I have been harassed with repeated ALL 1 POINT LETTERS, ALL VOWELS, OR ALL CONSONANTS, NO BIG POINT LETTERS AND IF I GET ONE BIG POINT LETTER, IT IS REPEATEDLY AT THE END OF THE GAME WHEN THERE ARE LIMITED AND OR NO SIGNIFICANT PLACEMENTS.

The attached corrupted word game evidence shows that I am being targeted and stalked, whereas every game I have played, since complaining about the swap a letter WWF store disablement, have induced, yet preventable impairment patterns. This includes, every turn getting letters with only 1 or 2 points, and or all vowels, while every game, the opponent, gets the high points few letter tiles, which are j, q, z, and k and I repeatedly get 1- and 2-point letters, or just vowels or all consonants. The fair distribution of WWF letter tiles and big point letter dissemination is being manipulated and corrupted, in an organized fraud digital revenge for hire manner.

This internal digital organized fraud letter tile dissemination sabotage has taken the fair play, equal opportunity, truthfulness, and enjoyment out of the game. I want this inflicted digital, fraud, stalking and harassment. to be stopped, immediately. I want to be treated like anyone reading this letter, would like to be treated and that is fair. In addition to this organized digital fraud alphabet letter dissemination sabotage, I am repeatedly getting the red flag invalid word for words that I get from the Words with Friends name aligned Dictionaries. Please see exhibits 1-3.

Please note the Words with Friends gaming company, uses its very own name aligned dictionaries. Excerpts are below. Consequently, words, that the company Words with Friends, identify as valid, are many times, not valid words in standard dictionaries, such as boline and nobile. Accordingly, the Words with Friends company, has its very own name aligned wordfinder and wordlist dictionaries. As such, I used the WWF name aligned dictionaries and was defrauded with the below documented red mark invalid word misrepresentation. Please see exhibit 3. This type of unethical programming is ridiculous and unwarranted organized fraud that serves no civilized purpose, but effectively administers discriminatory/arbitrary treatment, rooted from premeditated WWF repeated digital misrepresentations for organized fraud enforcement.

Exhibit 1 shows two Words with Friends words advertised in the WWF dictionaries, as valid words. One is NOBILE and the other is BOLINE. I sought to play each word on the triple score and miraculously in exhibit 3 you will see I was denied this opportunity to score high points by this digital organized fraud red flag stating invalid word, while the words are advertised in the Words with Friends name aligned and advertised dictionaries and while other users get to use this advertised WWF valid dictionary word.

With this organized fraud, you can deny any player the use of this 43-point word, advertised on the Words with Friends, name aligned dictionaries, while allowing the next player to use the word. Please see exhibits 1-3. This is programmed, arbitrary, capricious, and discriminatory treatment, coupled with false WWF advertisement, misrepresentations as a method of operation and deceptive business practices, that do not belong in this game. It is the criminal use of a word game for BETRAY THE CONSTITUTION unequal treatment programming, from the word game level, to infiltrate and advance criminal insanity management embedded in systemic bias and targeting.

Several issues require investigation and correction. First, if Nobile and Boline are not valid Words with Friends dictionary words, then remove them from the Word with Friends name aligned dictionaries for all people. This will prevent unwarranted arbitrary treatment for all people. Second, I seek an investigation as to why, I have been and I am sure many others, have been inflicted with repeated **NO** high point letters, such as the Q, J, X, Z, OR K, AT ALL, particularly in the beginning of the game and getting repeated all vowel 1-point letters or all consonants, both stratagems effectuate induced, disingenuous, malicious, and targeted game results. These types of organized fraud phenomena must be investigated and stopped, as they serve no civilize purpose.

I bring this to attention because I want these malicious, harassing, targeting, unwarranted and non-productive practices stopped. Above all, I want an investigation into, who is controlling the digital part of the Words with Friends game because that is who needs investigation and correction. I also want the WWF word game CEO and company law department to know about a criminally insane 82-year-old Washington DC criminal and lawyer, who stalks me and criminal pays company plants for this type of whistleblower internal/digital retaliation, corruption, organized fraud, and harassment. His name is Regional Killer C. Boyden Gray. HE HAS STALKED ME FROM JOB TO JOB, CAR DEALERSHIP TO CAR DEALERSHIP, RESIDENCE TO RESIDENCE, AGENCY TO AGENCY, COURT TO COURT, SCHOOL TO SCHOOL, BANK TO BANK, CREDIT CARD COMPANY TO CREDIT CARD COMPANY, CREDIT BUREAU TO CREDIT BUREAU, INTERNET AFFAIRS TO INTERNET AFFAIRS AND MORE.

Regional Killer C. Boyden Gray is a sorcerer, criminally insane, demon obsessed stalker, and has used his criminal law and employment agency fronts to destroy the integrity of companies across the nation, to meet his demented, demon possessed revenge for hire needs, and criminal senile company usurpations, for his no penalty, yet assassination programming. He is demon possessed and obsessed with envy, hatred, greed, unearned money desperation, and deadly secrecy cursed killing accomplishments. He has been stalking and obstructing agencies, all to facilitate his killing innocent and healthy people agenda, for his human sacrifice programming and has been doing such for too long without penalty, yet.

In his criminal insane, attempts to silence his no penalty yet killings and crimes, he has stalked me ruthlessly and has attempted to have me killed, several times. But God! Hence, he enviously and maliciously sabotages all my business and personal affairs, as such, his signature repeated crimes are in the Words with Friends company fraud rulership.

He specializes in counterfeit law making and criminal usurpations over companies and agencies, for his senile satanic killing programming, in exchange for his satanic wealth and power, temporary personal gain, delusions. Betray the Constitution, denied rights, organized fraud, arbitrary and discriminatory rulership, are his claim to fame corruption teachings, all to disguise his work as a deeply senile WARLOCK, desperately seeking, UNEARNED WEALTH AND POWER. He is insane. A copy of this complaint, with others will be forwarded to the FBI and other criminal justice authorities, because this psychopath stalker and killer requires the death penalty. He is in this company using his criminal rulership and I urge all to stop his patterned and practiced inflicted organized and insane fraud crimes, before he sets up the WWF company for multiple lawsuits, so he can takeover ALL. He despises humans, and his goal is to destroy all decent forms of entertainment, to prioritize his satanic human sacrifice, sensual, scamming and all abomination to God entertainment agendas.

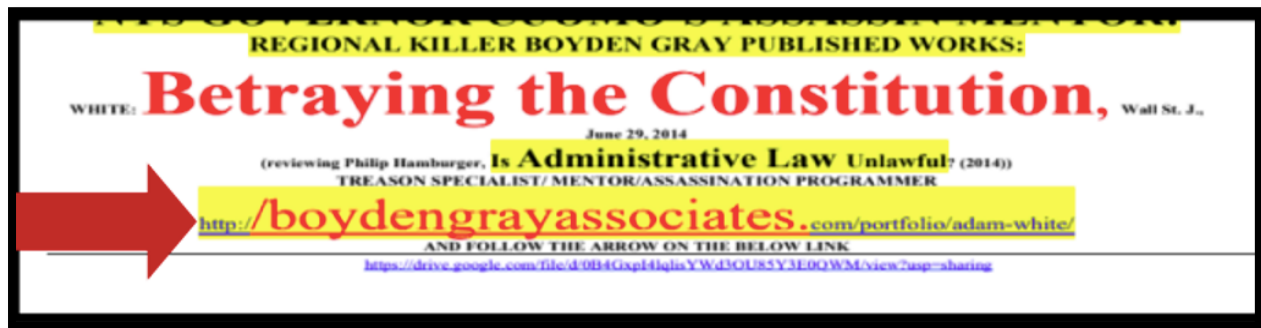

Please see the below links and the reference section attached documenting his name aligned years of stalking, targeting, murdering, and repeated criminal insanity organized fraud and discriminatory inflictions. Please see his name aligned killing programs at pages 66,76, 78-98 on the links below at:

Regional Killer C. Boyden Gray via his law department FRONT and multiple hiring agency FRONTS and corruption, is using agents in the Words with Friends digital department to create an organized fraud enterprise and is using Words with Friends for his criminal senile retaliation. As the lead member in his documented, not yet stopped, satanic killing cult, one of his jobs, before his name aligned murders, is to create groups or classes of people with denied rights. This makes his senile programmed killings easier. His method of operation and criminal funded mentorship in companies is: BETRAY THE CONSTITUTION VIA obstruct the 14th amendment equal protection of the law/equal treatment. Please see his BETRAY THE CONSTITUTION LAW FRONT ADVERTISEMENT BELOW.

Please stop the criminal use of the Words with Friends company for this criminal senile, no penalty yet, retaliation, uncivilized practices, organized fraud, discriminatory treatment, unwarranted harassment, whistleblower targeting, disguised as corrupted digital letter dissemination, corrupted WWF store disablements, corrupted and discriminatory word validation based on Words with friends name aligned dictionaries.

Please forward the above links to your law department, as I am sure, he is doing this to other people too. In fact, please see exhibit 4. This exhibit documents another whistleblower complaining about the above WWF arbitrary practices I have summarized. Please read the links above and the reference section attached and forward to your local FBI, as this senile terrorist and Regional Killer, C. Boyden Gray, must and will be brought to justice, by any lawful means necessary.

He has stalked me in every capacity possible and such will end. He will be taught to respect my God given rights to privacy, to live free from his satanic senile repeated stalking's, organized fraud, conspiracy against rights, and repeated covert attempted murders, . The exposure and stoppage of his killings and crimes, will happen, accordingly. I am doing my share.

In closing, the credit card letter swapping opportunity has been repeatedly disabled. The digital organized fraud big letter points dissemination sabotage has been repeatedly inflicted. The organized fraud repeated vowel only 1 point letter targeting has been implemented. The organized fraud WWF invalid word concoctions, in contravention to the Words with Friends advertised, published, and name aligned word dictionaries, has been administered. These are unwarranted, not belonging in a civilized society practices, that must be stopped, as they serve no productive purpose. Please investigate the Words with Friends DIGITAL CONTROLLER. Please fix this immediately. My primary email is mirisni@aol.com. My Facebook email is mirsnv@gmail.com. Please let me know when the above Words with Friends unethical, betray the Constitution, harassment, discrimination, and arbitrary treatment administrations, will be stopped, and corrected.

Finally, I have attached an extensive reference section for the above authorities and for the WWF law department review and I have attached four Words with Friends exhibits, summarizing samples of some of the unwarranted and unexplainable organized fraud, misrepresentations, and arbitrary phenomena inflicted on me, which obstructs the integrity of the Words with Friends game. Please fix this. I seek the Words with Friends store enablement, more specific, equal access to the credit card letter swap, just like anyone else, fair distribution of all letters with points, and enforcement of words listed as valid which are advertised, published, and identified in the Words with Friends name aligned dictionaries.

Please do not send me any response alleging, the Words with Friends name aligned dictionaries, are third party entities, as they are being advertised and published as joiners with the Words with Friends company. As such, there is a fiduciary duty, to make sure the name aligned Words with Friends dictionaries are aligned with the integrity, the point system, of the Words with Friends game, to minimize arbitrary, capricious, discriminatory, and unethical treatment, coupled with deceptive business practices, Please contact me at mirisni@aol.com. Thank you for your time.

Sincerely,

Miriam Snyder, Educator, Evangelist, Human Rights Advocate, and Whistleblower

Dear Zynga: Please fix Words with Friends

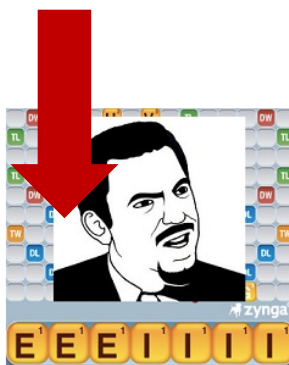

Vowels, vowels, and more vowels! Is anyone else out there noticing an increase in vowel-dealt hands in Words with Friends? I sure am, and so are many of those I play with.

Written by **Stephen Chapman**, Contributor on Jan. 11, 2012

I'm a Words with Friends addict. Before it, I loved [WordFeud](#), and before *it*, I loved [Scrabble](#). Of all the years I've played these games, I've never ended up with ALL vowels on so many occurrences as I do now in Words with Friends, hand-after-hand. To be clear, when I say I'm a Words with Friends addict, I'm not [getting kicked off of planes because of it](#), but I've got all slots dedicated to a game and I spend time (when not playing) looking up crazy words to use. That's 20 some-odd games going simultaneously, and right now, I'd be willing to bet that my hands in many of them are ALL vowels. To a far lesser extent, I end up with all consonants, but in discussing with my many worthy adversaries, they, too, are noticing what seems to be an algorithmic anomaly/fallacy where the game continuously sticks one person with all vowels or
